Please indicate which boards, commissions or committees you would like to be considered for. You may select more than one.

Planning Commission

Please provide a brief statement about yourself, background and why you are interested in serving on the above selected boards, commissions or committees.

I'm married, 77 years of age, retired from Southern California Edison after 30 years as a Supervisor, Manager & Planning Electrical Engineer. I am currently on the Tulare Memorial District & Tulare Historical Boards. I'm also an active member of AmVet Post 22 & Brotherhood of Veterans. I'm a graduate of Pepperdine (BS) & University of La Verne (MSB). My past work & Board experience make an excellent candidate for the Planning Commission.

Thank you,  
**City of Tulare**
