RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS III) -- Notes (Optional) January 1, 2013 through June 30, 2013

Item #	Notes/Comments
General Comment	The first ROPS included the actual payment of pass throughs, but based on counsel advice the pass through payments actually made in January, 2011 were removed and a revised ROPS was filed. The Successo Agency is appealing for Department of Finance to take into account the pass through payments that total \$978,015.97 that were made from the Tax Increment received in December/Janaury, 2012 from the true up payment. Attached is a printout showing the pass through payments - Attached are copies of the protest letters. The Agency had to forclose any distribution of it June 1 payment due to this, and has had to borrow funds from the City to meet it enforceable obligations as shown on line 11 of the ROPS.
11	On July 6, 2012 the Successor Agency received notice from Tulare County Auditors for a true-up payment of \$775,445. There were no funds available to make this make this payment so the City of Tulare loaned the money to Successor Agency. The true up payment was made to Tulare County Auditors on July 12, 2012. City is assuming loan can begin to be repaid once a finding of completion is issued by DOF.
12	Based on AB1484 sponsoring community (City of Tulare) loan made in good faith can be deemed to be enforceable. Assumes loan can begin to be repaid upon DOF finding of completion. In the past, the City was financing the Redevelopement Agency on a yearly basis with money needed to fund their projects. It was not until 2011 that the Redevelopement Agency went out to bond to fund their projects.
Prior Period Final Item	The Agency needed to reserve funds from ROPS I for the July - December 2012 time frame because it did not receive any allocations from the June 1 payment, as explained above.

Re: Re-approval of ROPS for City of Tulare Successor Agency

Dear Mr. Hill:

Please be advised that I serve as the City Attorney for the City of Tulare and as general counsel for the Tulare Successor Agency. This communication is being sent as a follow up and response to you April 26th, 2012 correspondence to Ms. Darlene Thompson, the City's Finance Director.

Board and submitted to DOF. The returned ROPS was amended to reflect only items occurring between February 1st and June 30th of 2012. It was then re-approved by the Oversight Board and re-submitted to cannot be reversed by simply removing it from the ROPS or characterizing it as not a qualified EO. This DOF. The City considers the contract referenced in item 9 to be a legal and binding agreement, which in that letter DOF disqualified items listed on the original ROPS which was approved by the Oversight is especially true since the performance of the contract was completed prior to February 1", 2012

pursuant to DOF's request is not an agreement to the position taken by DOF or a waiver of City's ability during the initial budget period set forth above.. City's consent to remove them from the revised ROPS Enforceable Obligations. The administrative costs listed in the original ROPS were legitimate expenses. The \$250,000 minimum limit is applicable to those costs that were incurred by the Successor Agency This letter is also to confirm in writing that the City of Tulare and its Successor Agency did then and continue to object to the DOF's characterization of these costs as "unallowed" or constituting to contest that determination in the future.

Sincerely,

City Attorney

Dear Mr. Dorman:

added by this law is new Health and Safety Code section 34183.5. This new statute requires the Auditor to "true up" the property tax allocations to account for the delay in implementing the statutes. Depending on statutes, has been signed into law. (Stats. 2012, ch. 26, effective Jun. 27, 2012.) Among the provisions the results of those calculations, section 34183.5 also requires the Auditor to demand payment from the As you know, AB 1484, the clean-up legislation for the redevelopment agency (RDA) dissolution Successor Agency.
